Udhampur**

Director's Message

It is a proud moment for the Sher-i-Kashmir Police Academy, Udhampur, to host the Passing Out Parade of 49 Probationary Deputy Superintendents of Police (17th Batch), 01 Probationary Deputy Superintendent of Police (16th Batch) and 1112 Probationary Sub-Inspectors (26th Batch). These officers now graduate from their alma mater to join their colleagues in strengthening the Jammu & Kashmir Police.

The Academy's core mission is to mould future leaders of the J&K Police—officers who will lead with courage, integrity, dedication, and a strong commitment to public service. To this end, the Academy followed the course structure laid down by the Bureau of Police Research and Development (BPR&D) and introduced key domains of modern policing, including Cyber Crime, Internal Security, and Intelligence Gathering. The teaching methods adopted by the faculty inspired trainee officers to sharpen their professional competencies and build self-confidence. Lectures by eminent academicians, subject experts, and senior police officers enriched their understanding of complex policing issues.

The training was meticulously designed to prepare officers for the professional challenges of policing, investigation, and law and order maintenance. Indoor sessions were conducted in smart classrooms and included simulation exercises for investigation and crowd control. Outdoor training focused on skill-building in weapon handling, riot control, disaster response, map reading, martial arts, first aid, and rescue operations.

The Academy also strived to instil values and ethics that will enable these officers to serve the public with compassion and professionalism. Emphasis was laid on integrity, sensitivity to public expectations, respect for human rights, a sound understanding of law and justice, physical fitness, and mental agility. Activities such as debates, group discussions, sports, and cultural events were conducted to nurture leadership qualities, self-development, and effective communication.

The dedicated efforts of the faculty and administrative staff merit deep appreciation. Their commitment—guided and supported by Police Headquarters, J&K—has ensured that the Probationary Dy.SPs and PSIs are well-trained, disciplined, and ready to take on future challenges. On behalf of my team and myself, I extend best wishes for a successful and fulfilling career to all the passing-out officers.

About SKPA

Sher-i-Kashmir Police Academy Udhampur is the premier training institute of J&K Police. Established in 1962 as Police Training School, established as Police Training College in 1891 and upgraded to the level of Academy in April 1998.

The Academy runs induction courses for Dy.SsP, Prosecuting Officers and Sub-Inspectors of Armed, Executive and Telecommunication Police, besides promotion courses of Sgts, Head Constables and ASIs. The Academy also runs different specialized courses for various ranks.

Directly recruited DySsP of State Police were earlier trained at Police Training College Phillaur, but from 1984 onwards all such trainees have been trained at Sher-I-Kashmir Police Academy Udhampur.

The complex is spread over an area of 2150 Kanals of land. There is roofed accommodation for around 950 trainees and 200 staff members. The accommodation includes a hostel for GOs. About 3,500 Police personnel of different ranks are trained in the institution annually. Forensic Science Laboratory, Riding School, Semi-Automatic firing range, Fire Arms Training Simulators, Computer Lab and Dog Training School are also located in the campus.
